

ISRM NATIONAL POOL PLANT

OPERATORS CERTIFICATE

for the benefit of your staff and customers

ISRM NATIONAL POOL PLANT CERTIFICATES

Industry recognised pool plant operator training courses from Topline. Delivered on behalf of the Institute of Sport and Recreation Management, will help your staff deliver the perfect bathing conditions today's customers expect.

Pool plant operation training

- ISRM National Pool Plant Foundation Certificate. Leading to the Active IQ Level 2 Certificate in Basic Pool Plant Operation
- ISRM National Pool Plant Operators Certificates Leading to the Active IQ Level 3 Certificate in Pool Plant Operation

What are the key benefits?

- Makes operatives aware of the legal responsibilities of running modern swimming pools.
- Helps embed best practice in order to ensure the most efficient and effective use of resources e.g. chemicals, water, energy.
- Provides optimum bathing conditions to your customers – encouraging repeat visits.
- Enhances the reputation and standing of your organisation by providing quality staff training which is suitable, sufficient and current.
- Both an industry recognised pool plant operation training course and a recognised qualification on the National Qualifications Framework.
